

Judges Stand

Judges` stand

Platform for judges, to seat 6, 8, 10 or 12 people, made of aluminium.

The judge's stand is made from special aluminium profiles. The structure is designed from special rectangular hollow profiles, which have a cross section of 80x60x3 mm. The platforms are made from extra sturdy aluminium profiles with anti-slip surface. The item is equipped with wheels at the back. Therefore, the stand can be flipped onto the wheels and stored easily. The hand rails can be removed too to minimize the storage space. The stand is available in various sizes from 6 to 24 seats. For each size, there is an option of a version with plastic seats. Various colours are available to choose from for the seats.

On request, the item is available in powder coated finish. Therefore, assorted colours are available.
