

Drag Mat

The Refresh Rubber drag mat is designed to either be towed behind the Refresh Triangle drag brush or towed as an independent drag mat. The drag mat is designed for levelling 3G and sand infill such as that found on many football AstroTurf surfaces. The Refresh Rubber is a 2.0m drag mat. On request other dimensions also available.

118979 DragMat 2.5 x 2,00 m

118986 DragMat 2.00 x 1.00 m

118987 DragMat 2.50 x 1.00 m
